

**Workshop Questionnaire - General Issues of the Private Sector
Exploring Private Sector Interests & Roles in the US Integrated Ocean Observing System
Marathon Oil Co., Houston, TX, 2-4 March 2004**

General Opportunities and Concerns:

What opportunities does the IOOS offer the private sector? How might they be realised?

What are the limitations to private sector involvement? How might they be decreased at this planning stage?

What is needed to foster the vigorous development of the coastal/marine environmental industry?

Modes of Private Sector Involvement:

To what extent does your organization wish to be involved: Number your responses from 1 for no involvement to 5 for considerable involvement
